

Here and now
Our current state

Our school vision

Enablers and Blockers

What's going well with our use of digital technologies?

What's causing us concern about our use of digital technologies?

What's the scope and capacity of our Leadership Team?

What's the research we're reading?

What innovations do we have underway?

What innovations do we have planned?

Intentional Leadership

Blank space for notes under Intentional Leadership.

How well are we engaging teachers - and growing their capacity (PLD)?

Expanded Teacher Capacity

Blank space for notes under Expanded Teacher Capacity.

Purposeful Curriculum

What is it powerful to learn?

What is powerful learning?

Powerful Pedagogy

What is powerful teaching?

Innovative Learning Environments

What is an empowering environment?

What's the hard and soft data we're collecting?

How are we monitoring and evaluating our initiatives?

What external support do we need to engage?

How well are we collaborating with other schools, the sector, community and business?

How are we engaging student voice in our planning?

Cohesive Digital Services

What is the state of our digital services?

Genuine Learning Partnerships

Blank space for notes under Genuine Learning Partnerships.

Emerging goals and actions:

Robust Digital Infrastructure

What is the state of our infrastructure?

How well are we engaging our community?

Who are our stakeholders?

Where we want to be
Our future state
